DONATE TIME

- Monday-Friday from 9am-5pm
- Meet Berliners and make friends with other volunteers
- Sort donations and help keep the location organized
- Settle in to Berlin and help a community in your new home
- Both English and German-speaking volunteers are accepted!

I volunteered with Moabit Hilft in the Fall 2019 semester with IES. It helped me practice my German skills with my fellow volunteers, settle in to my new life in Berlin, and gain more firsthand experience of the politics and personal experiences of the migration crisis in Germany. I would recommend it to anyone looking to get involved in the Berlin community during their semester with IES! - Meghan C.

DONATE CLOTHES

- If you don't have the time to volunteer, you can still help the community
- Donations can be received Monday-Friday from 9am-5pm
- Make sure the clothes are freshly cleaned and are appropriate for the current season. Moabit Hilft provides clothes to people who need them now, and doesn't have enough storage to save summer clothes all winter
- It'll make packing easier at the end of the semester!

Look on the Moabit Hilft website for contact information and further opportunities for involvement!
